The case against Gibson was taken up by the grand jury shortly after two o'clock yesterday afternoon. Special Agent Brooks, being the first witness, told of his work in unearthing the con-spiracy to destroy the Schufeldt distil-

lery and Dewar's part in it. Dewar, the next witness, displayed needed afterwards. Dewar had the letbottle of fluid and the machine alhim by the secretary. An experiment was made with the fluid on hand and it burst into a bright flame as soon as poured out on a piece of paper. It was precisely the same as taken from the valise. The infernal machine was not unscaled, but Captains Stuart and Bond explained what it was to the jury At five o'clock the jury voted unani

Fifty-Six Acres of the Moyer Mines Near Scottdale, Pa., on Fire-Three Persons Burned to Death and Others Missing. to the Times from Connellsville, Pa., says: Fifty-six acres of the Moyer mines owned by W. J. Rainey & Co., are on fire. Three persons are known agers of the mines are not prepared to say, and rumor fixes the loss of life at not less than fourteen people. There was no explosion in the m been reported. The mine has never been known to contain gas, and while the authorities here are discreetly silent it is known that the striking cok ers throughout the region are charged with setting the mine on fire to secure

a general suspension of the Rainey are known to be in the burning mine are: Jas. Waddell, aged twenty-two and John and Robert Rohevel, aged twelve and fourteen respectively.

ten or twelve Hungarians were also the mine when the fire started, but the miners have all been accounted for except the three mentioned above. A HOSPITAL BURNED.

Those who claim to know say that

Surning of St. Mary's Hospital at Rochester, N. Y.—Heroic Work of the Sisters in Rescuing the Patients. ROCHESTER, N. Y., Feb. 17.-St. Mary's Hospital was destroyed by fire sunday night. Loss, \$65,000. Fireman Frank Jaynes was fatally burt by fallwere injured. There were in the hossisters and fully the latter number of mployes. The inmates were in all stages of disease, and many of them were unable to get from their beds. Immediately the fire was discovered and the alarm given a scene of the wildest confusion ensued. The corridors are filled with a terrifled crowd their night clothes and all of them all asleep when the gong sounded its a moment for them to clothe them elves in their black robes. Never before have women worked more nobly than did these gentle sisters. They were everywhere regardless of personal comfort and safety, and to them alone should go the major part of the credit of saving the patients

HAWAII IN MOURNING

Arrival of the Remains of King Kala-

from Honolulu per steamer Alameda, which arrived Sunday, say: "Workmen were busily engaged in making preparations for welcoming King Kalakana when the United States flagship Charleston was sighted Thursday, January 29, The Charleston steamed into port the Hawaiian and American flags at half-mast. Business houses closed, schools dismissed and goving of minute guns from the war-ships in the harbor and the batteries on shore the King's body was landed and received by a guard of honor. The funeral process and moved to the palace. The streets were packed with people, and the air was filled with wailing and lamentations. Dowager Queen Kapiolini appeared on a balcony and gave way to the most violent demonstrations of grief. Queen Lilinikalani also appeared on the

balcony, and was also greatly moved The could was placed on a bier in the

bownington, Pa., and his reports are on middle of the throne-room.
